

CUSTOM CAST-IN

From benches, trash receptacles and signs, Wausau Tile's Custom Cast-In is the perfect addition to customize any of our concrete site furnishing products. Whether you are looking for a logo, inscription or design, our expert team is able to create any custom addition to our concrete products. Choose from standard Smooth Stains to make your design more distinct or let the design speak for its self. Let us create custom colors to match your brand, business or school colors.
